Job Access Loan Program

The intent of the change is to retain the job access loan program as a self-contained, revolving loan program, in which only repayment revenues may be used to make new loans. Also, permit repayment revenues to be used for the cost of collecting delinquent repayments.

Please make the following changes to the job access loan program under s. 49.147(6):

- ✓ 1. Specify that job access loan repayments received under s. 20.445 (3)(jL) may also be used for the administrative costs of collecting delinquent repayments.
- ✓ 2. Delete references to the appropriations under s. 20.445 (3)(dz) and (md) that appear in s. 49.147(6)(c).
- ✓ 3. Delete the reference to the appropriation under s. 20.445 (3)(jL) from the language on public assistance and local assistance allocations under s. 49.175 (1).
- ✓ 4. Repeal s.49.175 (1)(n).

Please make this change effective with the passage of the budget bill.

If you have any questions, please call me at 6-8219, or send me an email at [erin.fath@doa.state.wi.us](mailto:erin.fath@doa.state.wi.us).

*Analysis by the Legislative Reference Bureau*

**HEALTH AND HUMAN SERVICES**

**WISCONSIN WORKS**

Under current law, DWD makes job access loans, which must be repaid, to persons who are eligible for W-2 and who need such loans to obtain or continue employment. The loans are funded with federal moneys received under the federal Temporary Assistance for Needy Families (TANF) block grant program, with general purpose revenue required as maintenance of effort, and with job access loan repayments. This bill eliminates the federal moneys and the general purpose revenue as funding for job access loans, leaving only repayments of job access loans for funding more job access loans. The bill also provides that job access loan repayments may be used for administrative costs associated with collecting delinquent job access loan repayments.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

*The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:*

2 SECTION 1. 20.445 (3) (dz) of the statutes is amended to read:

6           governments, organizations, tribal governing bodies, and Wisconsin Works agencies;  
7           and for emergency assistance for families with needy children under s. 49.138; ~~and~~  
8           ~~for job access loans under s. 49.147 (6).~~ Payments may be made from this  
9           appropriation for fraud investigation and error reduction under s. 49.197 (1m).

Erin:

The draft on JAL looks OK, though there could be some concern on the LRB analysis. There is a phrase that states: "Under current law, DWD makes job access loans, which must be repaid,....".

We would suggest that the phrase "which must be repaid," is unnecessary/redundant or implied by the term "loan" but, in this case, somewhat misleading, since they can be "repaid" with in-kind work as well as monetary repayments (though DWS indicates the in-kind option is little used).

Mark,

Here is the draft for the changes to the Job Access Loan program - it's a very short draft. It gets at making the JAL program a self-contained, revolving loan program and expands the use of the JAL repayments to cover administrative type costs. Can you check the language under s.20.445 (3)(jL) and let me know if you think the language reflects the changes the department was looking for?

Thanks,

**WISCONSIN WORKS**

Under current law, DWD makes job access loans, which must be repaid, to persons who are eligible for W-2 and who need such loans to obtain or continue employment. The loans are funded with federal moneys received under the federal Temporary Assistance for Needy Families (TANF) block grant program, with general purpose revenue required as maintenance of effort, and with job access loan repayments. This bill eliminates the federal moneys and the general purpose revenue as funding for job access loans, leaving only repayments of job access loans for funding more job access loans. The bill also provides that job access loan repayments may be used for administrative costs associated with collecting delinquent job access loan repayments.

The bill also provides that job access loan repayments may be used for administrative costs associated with collecting delinquent job access loan repayments.
